We Need Volunteers

Wilson County Office of Emergency Management (WCOEM) is looking for county residents interested in becoming trained, pre-identified volunteers to assist with preparedness and community support activities. The purpose of these volunteers is to be force multipliers during planning and actual events to enable successful accomplishments of the county's emergency management outreach to the community.

Please contact Kenneth Miller, the Assistant Emergency Management Coordinator for more information. A Volunteer Program Planning Meeting is scheduled for February 25, 2025 at 6:00 pm to discuss the details of this proposed program.

Volunteers can and do make a difference in their community. We look forward to meeting you.
