

WILSON COUNTY

FISCAL YEAR 2025-2026 PROPOSED BUDGET

October 1, 2025-September 30, 2026

08-15-2025

NOTICE OF BUDGET HEARING

Notice is hereby given that a public hearing on the FY 2026 budget of Wilson County Texas will be held on August 25, 2025 at 9:00 a.m. in the Commissioners Courtroom of the Wilson County Courthouse, 1420 3rd Street, Floresville, Texas. A Copy of the proposed budget will be filed on or before August 15th, and may be seen in the office of the County Clerk or on the Counties website. All interested citizens are encouraged to attend and give comments at the hearing. This budget will raise more revenue from property taxes than last year's budget by an amount of \$1,133,168, which is a 4.6614% percent increase from last year's budget. The property tax revenue to be raised from new property added to the tax roll this year is \$653,252.71.

Brenda L. Trevino

Wilson County Auditor

1400 3RD Street, Suite 109

Floresville, Texas 78114

Phone: 830-393-7304, Fax: 830-393-7384

BUDGET OVERVIEW

Development of the annual budget is a team effort relying on the knowledge and expertise of individuals throughout county government and valuable input from the public. Priorities included the tax rate and protecting our ability and capacity to operate in future years while meeting the demands for essential and required services for Wilson County citizens in an economical fashion during a time of economic uncertainty. Despite all the challenges that were faced during the budget process, this budget has a proposed tax rate of 0.405961/100 (per \$100 valuation) which is less than the current tax rate of 0.414748/100.

Wilson County continues to maintain a very conservative philosophy that is reflected in the low debt service rate, low tax rate, and fiscal health of the general fund's fund balance, which culminates from the overall budget and financial policies.

Revenues

County governments in Texas are limited in how they can raise revenue. The main sources of funding for the county are taxes, primarily ad valorem taxes (property taxes) and grant revenue. Total property taxes represent approximately 46%. The remaining revenue comes from other funding streams as outlined in this budget, including grant revenue for Fiscal Year 2026. Grant awards include the American Rescue Plan (ARPA), Department of State Health Services, Operation Lone Star, Violent Crimes Against Women, Indigent Defense Improvement, Indigent Defense Formula, Statewide Automated Victim Notification Services, Senate Bill 22 for Prosecutors and Sheriff's Departments, Texas General Land Office, and the Texas Veteran's Commission. Because of these grant awards, Wilson County will be able to provide invaluable services to county constituents including a new program to assist Wilson County veterans with financial resources, and a Shelter of Last Resort (emergency evacuation center by expanding the current Wilson County Expo & Community Center banquet hall).

Internal Transfer of Funds

General Fund

This FY26 proposed budget includes \$3,000,000 to be transferred from the general fund's unrestricted fund balance. Two million of that has been allocated for the Wilson County Expo Arena project, scheduled to be completed in 2026. The remaining funds have been allocated to balance the general fund budget for additional expenses such as animal control, economic development, additional staffing needs, and an additional increase in salary for law enforcement to meet the average of surrounding county deputy salaries.

Financial Stability

The estimated reserve funds in the general fund are deemed adequate to fund expenditures for six months of operating expenses. As of September 30th, 2024, Wilson County had approximately \$15.6 million in the fund balance. As a result, \$3 million of that is allocated in this budget which is notated above.

Budget in Brief—An Overview

The challenges faced by Wilson County in preparing this budget include the continued funding of programs mandated by the State of Texas, funding additional personnel to meet the needs of a growing population, and funding the general increases in insurance and operations while trying to reduce the tax rate. In addition, investing in competitive salaries for Wilson County employees ensures we can attract and keep skilled, experienced staff who deliver essential services to our community. Fair pay not only boosts morale and productivity but also reduces turnover, ultimately saving taxpayer dollars and maintaining high-quality public service. When employees leave, the County must spend money recruiting, hiring, and training replacements—costs that can quickly add up. In the meantime, vacancies can cause overtime expenses, delays in services, and reduced efficiency. By offering fair salary increases, Wilson County can keep experienced employees longer, avoiding these extra costs and ensuring taxpayer money is used more efficiently.

Summary

Considerable time was spent by myself, County Judge Hank Whitman, and County Commissioners in reviewing budget requests for compliance with the overall goals of the County. This is a strong budget and one that meets the demands of the growing County. Even though several department budget requests were not granted in full, County Officials should be prepared to make careful expenditure decisions while controlling costs. This will allow officials to continue to operate with efficiency and financial responsibility while meeting the public's demands for services. Wilson County continues to strive to plan for short-term and long-term objectives and this budget complies with that vision.

Respectfully submitted,
Brenda Trevino
County Auditor
