

The holiday season is upon us, and Wilson County is getting ready to spread some festive cheer with a spectacular Christmas light display on the courthouse lawn. In a special collaboration between local businesses, officials, and families, the courthouse lawn will be illuminated by thousands of LED lights, turning it into a winter wonderland for all to enjoy.

This magical transformation of the courthouse lawn into a radiant holiday display is made possible by the generosity of local sponsors. Businesses, community leaders, and families can now be a part of this heartwarming tradition by sponsoring a section of the LED Christmas light display. In return, sponsors will receive special signage recognition on the courthouse lawn, marking their contribution to this joyous occasion.

"It's a wonderful way for our community to come together and celebrate the holiday season," said Hank Whitman, County Judge of Wilson County. "The decorating of the courthouse lawn has been a cherished tradition, and this year, we're excited to involve our local businesses, officials, and families in making it even more spectacular."

To become a sponsor and for order information, interested parties are encouraged to contact the Wilson County Auditor's Office by **Monday, November 10th**. Information on sponsorship packages and how to make this holiday season even brighter for Wilson County are available today. Displays start at \$100 and up! Display options are attached.

To order, please fill out the form attached and make checks payable to Wilson County, include memo "Christmas Light Display). For more information, please contact:

Brenda Trevino
Wilson County Auditor
830-393-7304
